Welcome to MES 2022!
The Midwest Energy Efficiency Alliance (MEEA) is a collaborative network, promoting energy efficiency to optimize energy generation, reduce consumption, create jobs and decrease carbon emissions in all Midwest communities.

MEEA is a non-profit membership organization with 160+ members, including:

- Energy service companies & contractors
- State & local governments
- Academic & Research institutions
- Electric & gas utilities
# Advanced Building Policies

<table>
<thead>
<tr>
<th>Stretch Codes</th>
<th>Building Performance Standard (BPS)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Alternative compliance path that defines a higher level of energy efficiency</td>
<td>Focus on improving existing building stock through setting targets for efficiency upgrades</td>
</tr>
</tbody>
</table>

- **New construction**
- **Existing buildings**
Advanced Building Policies

- Policy Advancement and Adoption
- Energy Savings
- Emissions Reduction
- Policy Compliance and Implementation
Chris Burgess
