

Travel Reimbursement Application

January 31 – February 2, 2023

Guidelines

MEEA is proud to provide travel support for government employees and non-profit organizations attending our annual Midwest Energy Solutions Conference. The 2023 Midwest Energy Solutions Conference will be January 31 - February 2, 2023 at the Marriott Magnificent Mile.

Reimbursements will be granted up to a maximum amount of \$850 to be used for travel and hotel costs. The conference attendee is responsible for conference registration costs. Recipients will be required to submit itemized receipts and cover sheet after the conference to receive reimbursement.

Individuals interested in travel support must submit this form to be considered. MEEA will review all applicants and give priority to government officials, followed by non-profit organizations and other interested parties. **All requests must be submitted by Friday, December 2, 2022.**
